July '50 Class Will Sponsor Bay Cruise

A moonlight cruise for all Loyola students and alumni will be sponsored by the July '50 Class on Saturday, June 11, at 8:15 p.m.

The S.S. *Tolchester*, which has been renovated completely, including a new superstructure, will carry the Loyolans, their dates and friends down the Bay.

Has Three Covered Decks

One of the largest excursion boats in Baltimore, the *Tolchester* boasts a fine dance floor, three covered decks and a 2200 seating capacity.

Music for dancing will be by Anne Marie and her eight-piece orchestra. Refreshments will be available on board.

Radio Advertising Provided

Lawrence S. Mohr, Chairman of the Governing Committee of the Class, heads the Moonlight Cruise Committee. Others on the committee are Emidio A. Bianco, Anthony F. Vogle, and Alan R. Tustin.

Radio advertising is handled by Tustin, who has contacted Richard F. Cadigan and Richard H. Coleman, Loyola students and announcers at radio stations WBAL and WCBM, respectively.

Tickets On Sale

Tickets for the cruise, which are \$1.25 apiece, have been on sale for two weeks.

According to Mohr, "A larger boat has been chartered this year because of the expected large turnout, and I hope that all Loyola students and alumni will come and enjoy themselves."

Mooney Wins In Lee Oratorical Contest

Speaking on the "tenacious sinosity" of Alexander Hamilton's loyalty to freedom, Lawrence R. Mooney, Jr., won the Lee Gold Medal for Oratory in the annual contest, held in the Evergreen Library on Friday, May 20.

Mooney, a July '49 B.S.-II Senior, is Vice-President of the Robert Bellarmine Debating Society. He is also a member of Tau Kappa Alpha, the forensic honor fraternity, and of Alpha Sigma Nu, the national Jesuit honor fraternity.

Others who competed for the medal were (in the order of their speeches) Irvin E. Hammond, John C. Evelius, Francis X. Gallagher, Donald E. Fay, George M. Strohecker, Robert S. Custer, and Eugene P. Corrigan.

Judges for the contest were the Rev. Atlee F. X. Devereux, S.J., Mr. George McManus, and Mr. John J. Pugh.

The Lee Medal for Oratory, which was founded by Mrs. Josephine Lee, is awarded yearly.

Gerard Kimmitt, Robert DeLisle and Thomas Rodney discuss the forthcoming musical, "Shubert Alley," with author George Herman.

New Dramatic Production Ready For Presentation

Shubert Alley, the new production of Loyola's Mask and Rapier Dramatic Society, will be presented at St. Ignatius Auditorium on Thursday, Friday and Saturday, June 16-18, it was announced by George Herman, President of the Society and author of the show.

Containing 23 individual scenes and featuring 22 original songs by Herman, *Shubert Alley* utilizes the talents of over 100 Loyola students.

New Stars Included

Many of the cast of last year's Mask and Rapier musical success, *Marelyn*, will be seen again in *Shubert Alley*. Included are Richard Coleman, Robert DeLisle, Robert Feuka, Gerard Kimmitt, and Gerald Uhlhorn.

Among the new stars, Thomas Rodney, baritone, leads the singing cast. Also appearing are Albert Fitzgerald, Jean Jacques Gunning, James Dietz, and Conrad Janish.

Student Rates Offered

Herman himself is directing the staging, while William Volenick is handling the musical direction.

Tickets at reduced rates are being offered to all Loyola students.

New Cut Plan Now In Effect

A new cut system will be in effect during the Spring Term, it was recently announced by the Rev. Robert P. Arthur, S.J., Dean of Men. According to the system, a student will incur a failure in a course if he cuts more than 12% of his classes and labs in that course.

There will no longer be any excused absences. A student will fail a course if he overcuts, despite the reason for his absences. During the Spring Term, a student who has four classes a week in a subject will be permitted four cuts in that subject. The same ratio applies to all courses.

If a student misses one of the regularly scheduled tests during the Spring Term, he must take a make-up test on Saturday morning at 9:30 a.m. There is a \$2.00 fee for taking a make-up test.

Yearbook Nears Publication

The *Evergreen Annual* is nearing completion and will be distributed to all Loyola students in the near future, according to Donald E. Fay, Editor-in-Chief of the publication. Calvert Kenning, Business Manager, pointed out that the yearbook is being given to all students this year free of charge. Faculty members will also receive a complimentary copy of the annual.

This innovation of charge-free yearbooks was made possible by the cooperation of the administration and the yearbook staff. A large amount of advertising was obtained for the book.

Three Classes Combined

The 1949 edition of the annual will comprise the classes of February '49, May '49 and July '49. The members of these classes are arranged in one senior section.

The book boasts of a complete coverage of all Loyola extra-curricular activities. The activities are divided into sections according to the seasons in which the activities took place.

Lightner Heads Photography

James Lightner, Photography Editor, has achieved a number of unique pictorial effects. The annual contains a complete, on-the-spot, photographic record of all major College events.

The staff expressed their belief that the yearbook is a comprehensive scholastic, athletic and social record for the 1948-49 college year.

Evening School Sets Registration

Registration for the Evening School's summer term of graduate studies will be held from June 13 to 25. The summer term will consist of day classes for those pursuing a Master of Arts degree in Education.

Summer term classes will begin on June 27 and will continue until August 6. The Evening School spring term began on May 30; it will end on July 21.

The Evening School recently established a graduate school in Education. The purpose of the graduate studies in Education is, first, the further training of teachers, counselors and administrators in public and private schools; second, the preparation for further research and study in Education.

Graduate Record Exams Conducted

Graduate record examinations are being conducted at Evergreen today. The examinations, which began yesterday at 9:00 a.m., will end today at 1:00 p.m.

All members of the classes of May '49 and July '49 were required to take the examination, which constituted a requirement for graduation.

The objective tests determine the student's general knowledge and investigate his ability in his college major. The marks attained in the tests are not considered in awarding degrees, but the results are incorporated into the student's permanent college record.

In his first attempt as moderator of a society, Mr. John J. Burns, S.J., Moderator of the Junior Sodality, has completed his initial year with an excellent record, made possible in many ways by student zeal.

A native of Philadelphia, Mr. Burns attended St. Joseph's Prep, and because of the example set by his Jesuit educators and serious thinking on his part, he began his Novitiate at Wernersville in 1940. His interest lay in the sciences, and he was sent to Spring Hill College in Alabama, where he received his Bachelor of Science in Chemistry in 1948.

Outlines Sodality Plans

Mr. Burns taught Chemistry at Gonzaga in Washington, D. C., in 1948 and worked toward his Master's at Catholic University during the summer. Expecting to complete his work this coming summer, he will matriculate for studies leading to a Doctor's degree.

As to plans for future Sodality activities, he would like to continue in Sodality work and has already prepared a tentative schedule for next year's activities. In conjunction with the new Sodality Prefect, George Strohecker, and the newly formed Executive Council, he hopes to have all Sodality activity planned before the September term.

Plans Monthly Publication

Also planned is the change of the Sodality paper to a monthly publication instead of the previous bi-weekly.

The paper, *Vision*, was inaugurated at Evergreen last year.

Student Forum:**Students View Council Idea**

"Should there be any restricting qualifications on the candidates for President of the Student Council?"

"I don't think there should be restrictions on the candidate or the candidates for Student Council posts. However, to facilitate the choice of a desirable man he should be active in school affairs, both social and athletic. He should be in the upper bracket of his class. This should give him a clear insight into the wants and needs of the societies and clubs." **JAMES EICHELMAN, Senior.**

"There should not be any restrictions on the candidates for President of the Student Council, because a few restrictions lead to more restrictions and could be used in the future to 'keep good men out of office.'" **DONALD OTENASEK, Freshman.**

"The student council is the voice of the student body. The students' representatives should be the free choice of the students, selected without any restrictions imposed by the Administration." **JOHN COMES, Senior.**

"The student should be in the upper third of his class and an active participant in school activities. He should have won his post by a clear-cut majority of more than twenty votes." **LEE ELDIDGE, Sophomore.**

"There should definitely be restrictions. Active participation in school activities must be a requisite for aspiring candidates. The prime considerations, however, should be that the candidate has attained at least an 80 average in order that the student body have intelligent representation. Secondly, he should want to help the student body and be a leader—one who can command authority. Finally he should be a man in a position to know the problems of all students." **JOE SERIO and ED BISHOP, Freshmen.**

Teacher, Student Will Be Ordained

The Rev. E. Paul Betowski, S. J., will be ordained by His Excellency, the Most Rev. Francis P. Keough, Archbishop of Baltimore, at Woodstock, Md., on Sunday, June 19. Fr. Betowski taught at Loyola from 1942 till 1945. He is one of twenty-four Jesuits receiving orders.

Graduated from Georgetown University in 1936, he took first vows in the Society two years later. He will celebrate his first Solemn Mass in his home town, Waverly, N. Y., at St. James' Church on Sunday, June 26.

The Rev. John Reinsfelder, February '45, will be ordained as one of ten priests at the Cathedral of the Assumption. His first Solemn Mass will be offered in his home parish on Sunday, June 5 at Sacred Heart of Jesus Church, Highlandtown.

After graduating from Loyola, Fr. Reinsfelder attended St. Mary's Seminary.

Students Aid Charity Appeal

The one hundred Loyola students who participated in the recent Catholic Charity Appeal solicited a total of approximately \$700 from local business organizations. The Evergreen aggregation was composed mainly of seniors and juniors. Several freshmen also participated. Each particular class was under the supervision of a student director. The directors and their respective classes were: Raymond Parr, May 1949; William Shultz, July 1949; Harry Shock, January 1950, and Emidio Bianco, July 1950.

The Appeal, which is conducted annually by the Catholic Charity Fund, Inc., was held this year from May 8 to May 18.

Directing the activities of Loyola College were Co-chairmen Patrick J. Coughlin and Henry L. Zerhusen, members of Loyola's Placement Bureau.

The Critilog

by George Herman

When June 16, 17 and 18 roll around, suspicious students may want to know just what they will get for their money when they throw down that rare green stuff for tickets to *Shubert Alley*. Well, you won't be disappointed. *Shubert Alley* is something new.

Although in format it resembles last year's *Marelyn*, it goes even further with the *pure* musical revue theme. It presents a central story of a play in rehearsal—which must be cut—and around this revolve the 23 individual scenes which are used as frames for the musical numbers.

While *Marelyn* sought to promote humor through sketches and dialogue, *Shubert Alley* seeks to promote it through song and action. Much of the literal humor of *Marelyn* was lost, because the audience laughed so continuously that they missed much of the humor immediately following. In *Shubert Alley*, however, the accent is on *seeing*. The humor is visible.

For example, there is the "Grey, Grey Day" number, in which four husky seamen are standing on the deck of their sinking ship, singing a mournful dirty about the weather, as they go down. They all drown eventually (on stage, too) with Little Moe, the smallest of the three, ending the song with a loud "Blub!"

Thomas Rodney, baritone unexcelled, leads the singing cast, with radio's Dick Coleman and *Marelyn*'s star, Bob DeLisle, as two of the top soloists. Gerard Kimmitt is the dancing star and has been working like mad to perfect his two solos. Gerry Uhhorn will present his "Shmoo" dance and a cowboy number. You'll meet the best in *Shubert Alley*.

ALUMNI DOINGS

By Edward A. Doehler, '30

Greetings To Class Of '49

The Executive Committee of the Alumni Association takes this opportunity to extend its warmest greetings to the graduates of 1949 and to welcome them into the ranks of the Alumni of Loyola. Many of these newest Alumni have had several contacts with the Association in recent months. Some were with us in April at the Annual Banquet to hear the address of Louis Budenz. Many more attended the Annual Dance in May and enjoyed a social evening with their fellow-Alumni to the music of Hayes Russell. It is the hope of the Executive Committee that the Class of '49 will identify itself with the Alumni Association in the years to come and participate as a group in the expanding program of activities being developed by the various committees. The coming months of vacation will be a period of inactivity for the Association. With the reopening of the college in September the Alumni Association will resume its round of activities. We welcome the Class of '49 to join us at that time!

Membership

The second billing for Alumni dues was mailed this week. At this point the records show slightly over 300 active dues-paying members of the Association. Alumni files list upwards of 2100 names. The figures speak for themselves. The Membership Committee and the Executive Committee of the Association earnestly request the cooperation of the membership in boosting the percentage of active members. You can help us. Call a classmate, today. Talk "Alumni" to him, and remind him of "active membership." And in case you have forgotten yourself, mail your remittance now. Remember, "Active Members make an Active Association."

Graduation

Alumni will take part in the annual Graduation exercises at Loyola on June 5. Members will meet in the Library building before 4:00 p. m.

Sodalists Hold Lecture, Dance

Dr. Edward Fenlon spoke on "The Miracles of Lourdes" at Loyola on Wednesday, May 25. Using slides he spoke on the miracle that he witnessed at Lourdes, in France.

A record dance, held in the Gymnasium, followed the lecture in Room 210S. The whole affair was staged for the benefit of the orphans of the city of Baltimore.

Summer Layoff

Both Sodalities have ceased operation for the summer. In the Senior group, Edward J. McNeal was elected Prefect and John McManus, Secretary. Other officers will be chosen in September at the first meeting. Both officers will attend the Summer School of Catholic Action at Fordham from August 15 to August 20.

The Junior Sodality, under newly elected Prefect George M. Strohecker, is planning an orientation program.

Welcoming Planned

The Junior Sodality is also planning a Freshman Welcoming Communion Breakfast, to be held soon after the opening of school.

Both Sodalities are planning a party at the shore of Joseph Rehak on June 12. All active Sodalists have been invited.

Inadequate Consideration

The senior class of Loyola College was recently presented with a plan which is intended to augment the scholarship fund of the College. The plan stipulates that each graduating senior, consequent on his personal decision, shall take out an insurance policy payable to Loyola College upon the death of the graduate or the maturation of the policy.

It is indeed very gratifying to see such a practical and beneficial plan proposed—a plan which is easily within the reach of a large percentage of graduates. But it is far less pleasing to note the number of active participants in the system. Thus far only sixty members of the alumni hold policies, while 1250 members of the 1948 Yale graduating class pledged themselves to a similar program. Not long ago an alumni class of The Johns Hopkins University presented the proceeds from matured policies to the officials of that university.

A lack of adequate consideration seems to present the principal obstacle to the plan. A careful evaluation of the proposal and its future benefits, therefore, is to be sought rather than actual subscription to the plan. The program will find its real culmination in the future education of worthy students. If we adequately consider the small cost of the plan as opposed to its great effects, the success of the program cannot be doubted.

From The Reader

To the Editor, THE GREYHOUND
Sir:

Your editorial of April 29 concerning the accomplishments of THE GREYHOUND certainly should be enjoyed by all those who have enjoyed reading Loyola's student publication during the past year. Special words of praise could be said about so very many. One student who can not be overlooked for a wonderful job is Frank Gallagher. Frank's efforts for a successful paper obviously have been almost endless. Regardless of whatever awards you may have received, this writer for one feels that THE GREYHOUND has been excellent during the past year. Too much praise cannot be given to Frank and to all the many others who have done such a fine job.

While words of praise are being offered it seems only fair to mention the outgoing Student Council President. Clint Bamberger has worked long and hard to present student ideas in the way in which the students wished them presented. Those who have followed student government activities must surely admit this and Clint deserves a word of praise from everyone.

In my opinion, Loyola was most fortunate in having students like Frank and Clint during the past twelve months.

Yours for a better Loyola,
Ned McNeal.

Ed. Note: Mr. McNeal has served as NSA delegate and President of the Junior Class during the past year, in which capacities he was active on the Student Council. He was recently elected Prefect of the Senior Sodality.

A True Jesuit

Brother William J. Hagerty, S.J., died at Mercy Hospital on May 20. Who would dare to say whether the death of a religious is an event of sadness or of joy? Certainly it must be one of joy for a man to achieve the goal towards which his entire life tended, but for those who must bear the loss of a true friend and acquaintance it can only be one of sadness.

Brother Hagerty was an acquaintance of all Loyola men. True, few students were aware of his presence as he worked quietly at his tasks, but his was a friendship of service—the eternal service of a Jesuit brother.

Loyola students should profit by the example of this servant of God. Even while afflicted with a serious heart disease, he remained at his duties. Brother Hagerty had lain in Mercy Hospital from December 28 until he died. His fortitude and example during this period should encourage all of us.

We join with his relatives and friends in mourning the death of a true Jesuit.

Music And Marriage Fill Life Of That Man Shaw

by Larry Davis

That man Shaw is at it again. The latest controversy involving the erratic Artie stems from his recent opening in Bop City, the oversize cocktail lounge of New York City. Attempting to bring the classics to night club audiences has got Shaw in hot water with the critics and with most of his audiences.

According to the critics, the idea was fine, but the performance was lousy. Not nearly enough time was given to rehearsals for such numbers as Prokofiev's *Classical Symphony* and Debussy's *Dances*, and Shaw exhibited a wonderful ineptitude for classical conducting. Some even listed his usual fine clarinet work as a liability of the evening. So far Shaw has ignored the attacks on his musicianship and maintains that his troubles were in programming and in the general opposition to such a radical idea.

This sort of thing is not new to Artie, however. Back in '40 he dropped a bombshell on the jitterbugs by disbanding his great dance orchestra which recorded *Begin the Beguine* and quitting swing, which he claimed was cheap and infantile.

Nothing more was heard from the "Great One" until about '42 when he organized his 32-piece dance orchestra, with strings. The idea of strings in swing fascinated Shaw for a while, and he turned out some fine recordings, notably his famous *Stardust* and *Dancing in the Dark*. This couldn't satisfy him for long though, so he again disbanded in '44.

At present Shaw claims that his 40-piece symphonette was an experiment at Bop City and that he will disband once again. Music and Marriage seem to be the big M's of malcontent and misery in Mr. Shaw's life.

Look To The Future

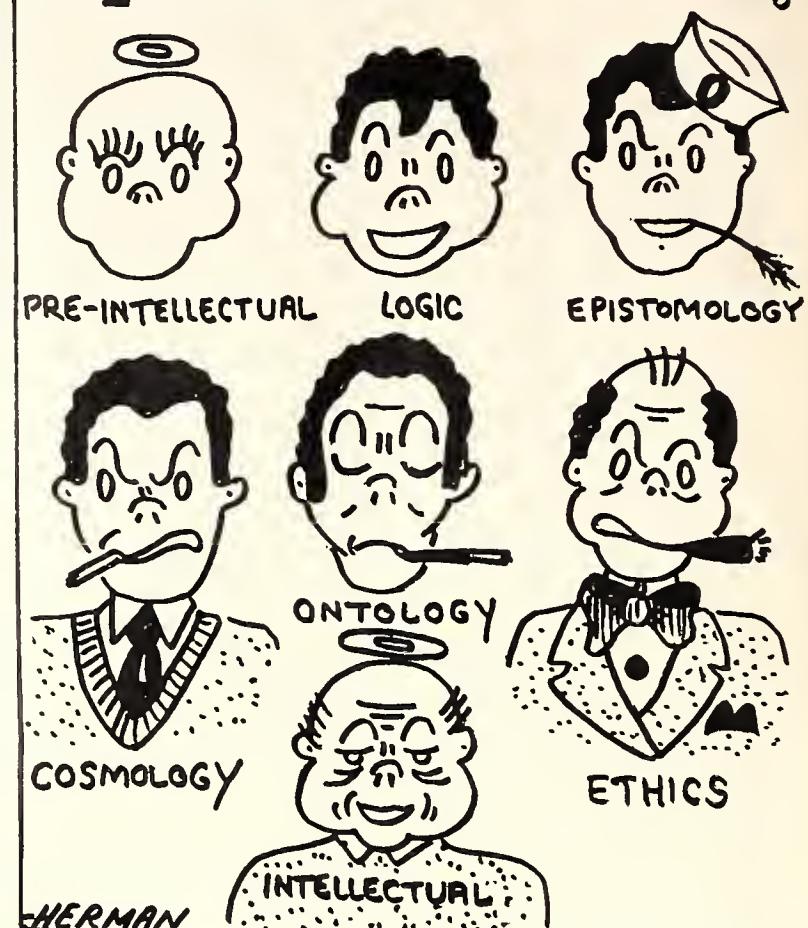

It is often advisable to halt amid a volley of exhortations and pause to laud the efforts of worthy students. Laurels of praise are due to the chairman and committee of the Queen's Ball, which proved to be such a social and financial success. Also in line for congratulations are the students who so whole-heartedly supported the activity.

The Ball served to actualize the firm conviction of a number of students of the possibility of a socially successful on-campus dance. It was a great step towards bettering relations among the entire student body. The success of such an event cannot be measured in terms of money or enjoyment, but rather in terms of life-long friendships.

But as congratulations are given for past performance, it is well to look ahead and consider future opportunities for similar successes. These opportunities are to be found in the college-wide moonlight cruise and in the Mask and Rapier Society's spring production.

If past events are a criterion for judgement, Loyola students can be expected to turn out in force.

Pacing The Pack**Tennis Team Ends Season As Mason-Dixon Champs**

by Gerry McCormick, Sports Editor

Sparked by the Big Three of Jerry Laroque, Jim Lacy and Gene Nolan, the Greyhound tennis squad climaxed its highly successful season recently by defeating Lynchburg College from Virginia, 5-4, for the Mason-Dixon Conference championship.

Throughout the long season these three have showed themselves to be far better than their competition, and finally they completely dominated the Maryland State Intercollegiate tournament which ran true to form with Jerry Laroque copping first place.

However a glance at the records shows that many of the teams' victories were very one-sided, with quite a few of the triumphs being by 9-0 scores. From this it is evident that praise is also due to the rest of Loyola's team, such fine players as John Darrell, Ed Ward, George Krug, Andy O'Donnell, and Tom McDermott.

Captain Of Baseball Team

It is very surprising how many students do not know who the captain of the baseball team is, especially since the diamond sport is a major one at Loyola. Loyola's captain is not a star on the team, in fact, he but seldom entered the lineup this spring.

However, Coach Lefty Reitz values the services of Benny Spurrier so much that he has named the popular outfielder as team captain for the second consecutive year.

Smart Base Coach

Ben (his real name is John) is unfortunate in that his intense knowledge of the game exceeds his natural ability. But his first thought is always for the good of the team, and he undertakes such unglamorous jobs as coaching third base with his usual enthusiasm and cheerfulness.

The Green and Grey baseball team this year had plenty of talent; that was evident. It also had good coaching from Lefty Reitz. But had there been more of the unselfishness and spirit of Benny Spurrier on the team, the season certainly would have been ended with a better record than 10 wins and 13 losses.

North-South Lacrosse Game

Loyola will be well represented in the annual North-South lacrosse game this year with Ed Hughes, John Mohler and Ray Wittelsberger scheduled to aid the cause of the South. All three of these have performed in this annual classic in previous years and should play important roles in this year's game.

Graduation has taken Gus Gilbert off the Loyola athletic scene. For many seasons John Callahan and Gus have been intense, though friendly, rivals in Intramural athletic ventures. The player-wars between these two Intramural tycoons have now become a characteristic feature of each sports season.

Jack Cronin ended the golf season at a terrific pace by winning two legs of the local collegiate "triple crown" when he took medalist honors in the Western Maryland and Mason-Dixon Tournaments.

Poly Captures Annual High School Track Meet

In the annual High School Invitational track meet sponsored by the Athletic Association of Loyola College, the winning laurels were taken by the thinclads from Baltimore Polytechnic. The winners recorded a grand total of 56 5/6 points to top the 51 1/4 markers chalked up by City College of Baltimore.

Outstanding performances by Willard Leach and Angelo Santamaria, both from City College, were the high points of the afternoon.

Leach won the high jump, high hurdles and the pole vault and tied Hoeck of Poly for the broad jump. The best of the new records set by the Alamedian star was a leap of

6 feet 1 inch in the high jump. Leach was the top individual scorer of the day racking up a total of 19 1/2 points to top his teammate Santamaria and John Shannon of St. John's of Washington who posted ten markers each.

Shannon's showing included a record heave of the shotput for 44 feet 9 5/8 inches. This fine showing helped place St. John's in third place with 33 1/4 points.

Mt. St. Joseph's, one of the pre-meet choices, finished fifth behind fourth-place Patterson Park High. Other finishers in the order of rating were: Forest Park, Georgetown Prep, and Gilman.

Loyola Nips C.U. Netmen

by Bob McKelvy

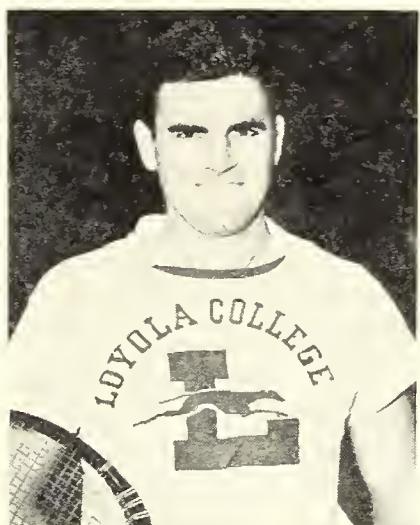

Loyola College netmen nudged Catholic University out of first place in the Mason-Dixon conference's northern division by besting them 5-4 in their second meeting of the season.

In winning, the Greyhounds avenged a defeat imposed on them by the Cardinals at Washington earlier in the season. It was Catholic University's only loss in conference play.

Jerry Laroque, Jim Lacy and Gene Nolan were victors as the Greyhounds swept the first three single matches, giving the hosts a 3-0 lead. Catholic University evened the score as players Levy, Vas, and Keating won fourth, fifth and sixth pairings, respectively.

Spencer and Lyons fell as double victims of Laroque and Lacy, giving the Hounds a 4-3 edge. Levy and Keating kept the Cardinals on equal footing, defeating Tom McDermott and Andy O'Donnell, 6-4 and 6-3.

With the score deadlocked at 4-4, Gene Nolan and Johnny Darrell proceeded cautiously against the doubles combination of Vas and Pincus to take the first set 6-3. The Cardinal doubles team came back to win the second set 6-3, only to become vanquished in the seesaw finale by the Greyhound duet, 7-5.

Jim Lacy ended his brilliant athletic career at Loyola in the finals of the Maryland Intercollegiate Tennis Tournament.

Golfers Edged In Tournament

Loyola's heavily favored golf team was forced to content itself with second place in the Mason-Dixon Golf tournament which was held on May 16 at Mount Pleasant. The Blue Jays from Hopkins nudged out the Greyhounds by a slim margin of our strokes.

Jack Cronin, Loyola's No. 1 man retained his individual crown as he toured the lengthy course in 77 for his morning round and then turned in a sizzling one-over-par of 73 for his second round. Hopkins Kinsey annexed second honors with a score of 80-72-152.

Mel Beeler, the Hounds' veteran linksman, posted scores of 81-80-161 as he ended in a tie for sixth place with Washington College's Jack Feeley. Jack Simanski carded a score of 83-79-162 for his 36 holes as he nailed down the eighth spot. John Bailey turned in a 82-84-166 score to capture the eleventh position.

Greyhounds End Season With Win Over Villanova

The Loyola nine rang down the curtain on its 1949 campaign in grand style by tripping the Wildcats of Villanova, to the tune of three to two, at Villanova, Pennsylvania, on Saturday, May 28.

It was a tightly-played affair through the first five innings of the contest, as both teams showed brilliant pitching and fielding. In the first half of the sixth Loyola broke the ice. Mike Zedalis smacked a hot grounder to deep short, which was bobbled by Wildcat shortstop Larry Aigleberger, and was followed by Larry Smith, who laid down a well-placed bunt.

When Villanova pitcher John Maroney threw over first-sacker Charlie Comerford's head, Smith and Zedalis advanced to second and third, respectively. We then picked up two runs as Ed Hagerty poled a high fly, and Frank Linardi pokéd a sharp single to center field.

Villanova tied the score at 2-2, in the seventh inning, on three safeties. However, Loyola came back in the eighth with what proved to be the winning run. Hagerty started the inning with a walk, and successive singles by Linardi and Bullington filled the sacks. Wildcat

relief hurler Wright then threw a wild pitch and Hagerty raced home with the game-winning run. Coach Reitz used a strong trio of Carroll, Eckels, and Donohue on the mound.

These three held the Wildcats in check very well, especially Carroll, who allowed no hits in his three inning stint. Loyola presented an unusual lineup for this game but the strange combinations worked well enough for Coach Lefty Reitz as the score indicates.

For instance, Larry Smith, an erstwhile catcher, played a part of the game in left field, while Jimmy Bullington, a centerfielder, played the entire game at first base.

Golf Squad Has Success

The Greyhound golfing sextet of Jack Cronin, Jack Simanski, John Bailey, Mel Beeler, Jim Pelisek, and Bill Cronin compiled one of the best match play records in the history of the spring sport at Evergreen. Under the able tutelage of Irvin Schloss, the Grey emerged unscathed in ten of the twelve matches played.

The two defeats were suffered at the hands of Cornell University by a 3 1/2 to 2 1/2 margin, and the Hawks of Saint Joseph's of Philadelphia, who conquered the Hounds in an early season match.

The Loyolans failed to capture any of the three post-season tournaments, although they were runners-up in two of the three. They dropped the Mason-Dixon crown to Johns Hopkins in a thirty-six hole medal playoff at Mt. Pleasant by a mere four strokes.

Jack Cronin, number one golfer for the Greyhounds, retained his individual championship and added the new title of individual medal-

Hounds Romp Over Terrors

by Bob Bourbon

With seven Greyhounds figuring in the scoring beneath a scorching afternoon sun, Loyola closed out its 1949 lacrosse campaign on Wednesday, May 18, by beating Western Maryland College, 13 to 4, at Westminster.

The Green and Grey gave forth with its most productive effort in the first and third sessions, scoring five goals in each of these periods, which together with a trio of second stanza goals, went to make up the winners' total.

Western Maryland tallied twice in the first fifteen minutes, and were limited to single goals in the third and fourth quarters, by an alert Greyhound defense.

The visitors' scoring was led by Jim Whelan and Ed Miller, with three goals apiece, Bob DeLisle and Ed Hughes, with a pair of markers each, and single goals by Frank Kimmel, Ben Cook, and Franny Meagher.

Hopkins Wins Stick Tussle

In a steady downpour which started in the second period and lasted throughout the rest of the game, the Johns Hopkins' lacrosse team defeated Loyola 20-6 on Saturday, May 14, at Homewood.

The Greyhounds, in playing their best game of the season, gave the National Collegiate Champions some 45 anxious minutes before bowing.

Barry, Sollers Star

Both Skip Barry of Loyola and Joe Sollers of Hopkins had a busy afternoon in the nets as the two attacks bounded shot after shot at the rain soaked goals. Barry came up with 19 saves for the afternoon, while Sollers stopped 11.

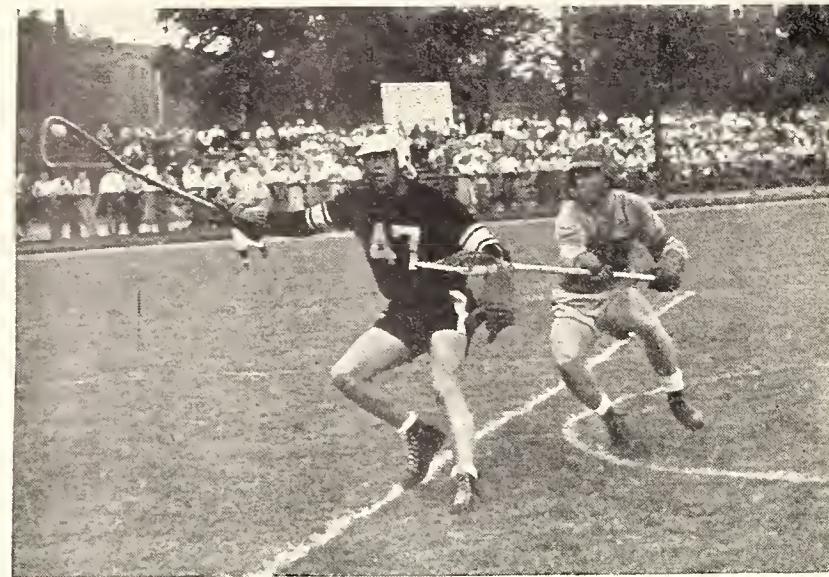

Hopkins jumped off to a 2-0 first-quarter lead, but the Hounds were not to be denied as Jim Whelan came through with a hard shot from the side a few seconds later. The Jays scored two goals before the period ended to hold a 4-1 lead.

Rivals Battle Evenly

Through the second and third periods the two rivals battled on even terms, and at the start of the final period the scoreboard indicated a 9-6 lead for the Champs. The many Loyola fans held high hopes for an upset, but then the avalanche came. The hosts hit the Loyola goal with 11 tallies before the close of the final 15 minute session.

Jim Whelan paced the scoring for the Greyhounds with four markers, while Ray Wittelsberger stood out defensively.

The Hopkins attack during the hectic final frame was spearheaded by the Jays' Jimmy Adams, Corky Shepherd, Bob Sandell, and Harry Macropolis. The former led his team's scoring, with four goals.

Ray Wittelsberger, Loyola defenseman, is shown giving a Hopkins attackman some rather rough treatment in the recent game at Homewood.

Netmen Blank St. Joseph's

Loyola's tennis squad ran its season's log to 18 wins against one loss by shutting out St. Joseph's College, of Philadelphia, 7 to 0, on Saturday, May 14, at Evergreen.

The match was halted by rain shortly before the completion of the doubles encounters, but the decision had already been clinched by Coach Vince Colimore's team.

Jerry Laroque, the Green and Grey's No. 1 operative, continued his fine play as he turned back Joe Patlan in the top match of the afternoon. Laroque had, up to this match, lost only once in intercollegiate competition this year.

Jim Lacy annexed his fiftieth straight win in singles competition, in a string which stretches back over the last three years.

The rundown:

SINGLES
Laroque, Loyola, defeated Patlan, 6-1, 6-1.
Lacy, Loyola, defeated Willcox, 6-1, 6-2.
Nolan, Loyola, defeated Jordan, 6-4, 6-3.
Darrell, Loyola, defeated Bateman, 6-3, 6-3.
Ward, Loyola, defeated Quinn, 6-2, 6-4.
Krug, Loyola, defeated Hanlon, 5-7, 6-0, 6-0.

DOUBLES
Lacy and Laroque, Loyola, defeated Patlan and Jordan, 6-1, 6-2.

'Hounds Win Title Match

In a match held at the Evergreen courts the Loyola netmen won the tennis championship of the Mason-Dixon Conference. Defeating Lynchburg College of Virginia by a score of 5-4, the Colimore-men came through in grand style.

Captain Jerry Laroque playing his usual steady game defeated Jack Norris 6-4, 6-1.

Jim Lacy, finishing up his college career, tacked another win to his long string of victories by defeating Bob Martin 6-0, 7-5.

Nolan Ends Career

Gene Nolan climaxed his collegiate tennis career by besting Dick Berry in straight sets 6-4, 6-2.

Bob Dady beat Loyola's John Darrell in a match which was closer than the score indicates 6-3, 6-4.

In the doubles Lacy and Laroque proved to be a little too much for Morris and McNeil, winning by the decisive score of 6-1, 6-2.

George Krug, playing in the No. 5 position for Loyola, lost to Dan McNeil, 6-4, 6-3. Lynchburg's Ray Williams then edged Tom McDermott, 6-3, 7-5. Nolan and Darrell played brilliant tennis at times in defeating Lynchburg's duo of Martin and Berry, 6-2, 6-4.

Baseballers Drop Finale

Loyola climaxed its 1949 M-D baseball season in a somewhat unfortunate fashion by dropping a 4 to 1 decision to Catholic U. in a game played at Evergreen on May 17. Operating on a muddy diamond the Green and Grey could gather only five hits from the offerings of Mickey Trepp, C. U. righthander. The visitors combed Dan Donohue, Loyola's chunky hill ace, for twelve hits, good for four runs.

The game was a scoreless affair for four innings. In the top of the fifth, Catholic U. pushed across their first tally. They added another in the eighth and finished the scoring with two in the final frame.

The Greyhounds chalked up their only run in the bottom of the eighth. After having the bases loaded with none out, Mel Wright sent a fly ball to deep center scoring Jim Bullington. Trepp then silenced the next two batters to end the threat.

Track Team Does Well

Completing his third year as Greyhound track mentor, Bill McElroy isn't the least bit disheartened by the team's mediocre two and five record in dual competition this season.

After a promising start, an upset victory over American University, the Loyola speedsters were outclassed by Johns Hopkins University, Washington College and St. Joseph's College of Philadelphia. The team's second victory was a rain-drenched win over Towson State Teachers.

At the Catholic University Invitation Meet Loyola was second only to the hosts and in the Penn Relays edged fourth place in the Mason-Dixon Mile Relay event. The 1949 season ended with the Greyhounds holding down seventh place in the Mason-Dixon Tournament.

Although hindered by the withdrawal of miler George Rodney and injury of Allan Meehan, the season was not lacking highlights. Walt Smyth turned in his usual outstanding time over the high hurdles, clipping the distance of 120 yards in 16 seconds. Newcomer George Kimmerlein also showed good promise.

Loyola Places In Golf Event

With a team score of 600, Loyola's Greyhounds placed third in the Western Maryland Invitation Golf Tournament, held at Westminster, on Saturday, May 14.

The Green and Grey trailed Juniata College, which had a winning total of 594, and second place Lehigh University, with 595 points.

Medalist for the day was Jack Cronin of Loyola, who fired a 72 and a 69, for a neat 141. This score was five over par for the lengthy 36 hole course. Next lowest man for the Greyhounds was John Bailey, with a 76-73-149 game.

Other performers for the Green and Grey were Jack Simanski, with a 79-75-154, and Mel Beeler, with a 78-78-156 total.

Net Team Bows To Georgetow

Traveling to Washington, D. C., on May 16, the Greyhound net team absorbed its second defeat of the year. The loss was to the Hoyas of Georgetown University, a 7 to 2 verdict.

This match also marked the first time in intercollegiate competition that Jim Lacy, the squad's No. 2 man, had gone down to defeat.

The following day, however, the College downed another Washington team, the Eagles of American University.

Loyola Wins; Then Drops Two

The Greyhound baseball nine turned in an 8 to 3 victory over the Blue Jays of Johns Hopkins University on Thursday, May 12, on the loser's diamond.

Mel Wright was the star of the game for Loyola, getting two hits in three times at bat. Charlie Sybert, who was given the mound assignment, came through with a creditable performance allowing but six hits while striking out 11 Blue Jays.

Sho'men Win Twice

Traveling to Washington College on Friday, May 13, the Greyhounds came out on the short end of a double header, losing the first game by a 6 to 5 score, and then dropping the night-cap, 6 to 3.

Bill Carroll started on the hill for the Green and Grey in the first game, but had to be relieved in the last inning by Carl Eckles as the Shoremen scored three runs to win the ball game.

Donahue Pitches

With Dan Donahue on the mound for the second game, the College had hopes of splitting the day's games, however, Washington College rapped out nine hits for five runs to win the contest.

By winning these two games, the Shoremen captured the Northern Division Championship of the Mason-Dixon Baseball League.

Two Classes Tie In Bowling

Boasting identical records of eight wins and four losses, the Classes of '43 and '48 are tied for first place in the Alumni Bowling League. There is also a third place tie between the Classes of '47, '42 and '40. Each group has posted a record of six wins and six losses.

Mr. Disney of the Class of '41, averaging 107 pins for 39 games, continues to be the league's top bowler. However, he is being pressed by Mr. Tighe who is spilling the wood at an average of 105 pins per game. Mr. Tighe has rolled 48 games.

Mr. Gay of the Class of '43, bowling over 143 pins, tied the season high game card and in so doing was credited with the week's high game.

Laroque Wins State Title; Loyola Takes Team Honors

Winning in straight sets, 6-4, 6-4, 9-7, Jerry Laroque defeated teammate Jim Lacy on the Mount Washington Club courts last Saturday afternoon to capture the Maryland State Intercollegiate singles title.

By virtue of Laroque's win and Lacy's runner-up position, Loyola carried home the team title also.

Laroque Downs Smith

Laroque, who holds down the No. 1 spot on the Greyhound tennis squad, went into the final round after defeating Jack Smith of Washington College, 6-1, 6-1.

Lacy entered the finals after downing Gene Nolan, another Loyola netter, in a semi-final test by a score of 6-3, 6-1.

Seven Hounds Entered

Besides the above mentioned players, Loyola also entered John Darrell, George Krug, Gus Gilbert and Tom McDermott in the tennis play, but all were defeated in earlier rounds of the tournament.

The tourney, the first of what is to be an annual affair, was under the chairmanship of Loyola's coach, Vince Colimore.

Lacy's loss was but the second

Ward Crowned 'Mural Champ

With the Intramural athletic season officially closed and all the points registered, Ed Ward has been awarded the Intramural Athletic trophy of 1949 with Harry Beck running a close second for the honors.

This makes the second year in succession that a varsity tennis player has won the award, since Frank Scrivner of tennis fame, gained the award last year.

Ward and Beck acquired their points mainly through the same sports—football, basketball, ping-pong and bowling.

The points scored by the first five finishers were: Ward—127, Beck—107, Bill Fannon—102, Carl Visek—99 and Ed Lynch—98.

Tennis, Golf Decided

Whitey Welsh and Rip Roberts proved to be tops in the intramural tennis doubles tourney. With Roberts displaying a good service and Welsh playing a stellar net game, the pair defeated the combination of Gene Conroy and Bob Freeze to win in the finals in straight sets, 6-4, 6-2.

The second annual intramural golf tournament produced Ed Frederick as champ. Frederick showed the form of an experienced golfer, but it took the eighteenth hole to decide the winner as he defeated John Coles, 1-up.

Softball Planned

Franny Mueller has announced that today is the last day that entries in the softball league will be accepted. Not to be left out, the Faculty has entered a team which they claim will take up where their basketball club left off.

Any loss or win against the Faculty team will be counted in the standings but the Teachers will not be able to gain the official championship laurels.

B Squad Netmen Top Jay Frosh

Led by player-coach Gus Gilbert, the B squad tennis team handed a previously unbeaten Johns Hopkins Freshmen team a 6 to 3 setback, on the Evergreen courts, Thursday, May 12.

The Greyhounds took four of the six singles matches and then went on to capture two of the three scheduled doubles matches.

O'Donnell Wins

In the feature match of the afternoon, Andy O'Donnell defeated Jim Gillet of Hopkins, 6-3, 6-8, 6-1.

Hank Linz, Rip Roberts and Gilbert were the other Greyhounds to win their singles tests. Jack Gunning and Jack Schanberger of Loyola bowed after forcing their opponents into three sets.

Netters Win Five

Finishing up on a winning key, the B squad netters boosted their seasonal record to five wins and one loss.

The Green and Grey hold double wins over Loyola High and Mt. St. Joe, while they split even in their matches with the Blue Jays of Hopkins.

Night School Tennis Play Starts June 6

The Evening School's Tennis Tournament is scheduled to get under way on Monday, June 6. The tourney is sponsored only for those students registered for the Spring Term in the Evening School. One week will be allowed for the playing of each round. The winner will receive a Loyola Tennis Medallion.
